ABOUT POORIT

Building the Industry-Ready Workforce.

Poorit Technologies is an industry-focused technology and skill-development company committed to bridging the gap between academic learning and evolving industry requirements.

We partner with educational institutions to help learners develop relevant skills, practical capabilities, and workplace readiness for meaningful career opportunities.

THE GAP WE BRIDGE

ACADEMIA	INDUSTRY
Theoretical knowledge	Practical application
Curriculum-driven learning	Industry-relevant skills
Limited industry exposure	Real-world experience
Periodic evaluation	Continuous performance

> Education is not the learning of facts, but the training of the mind to think, the heart to feel, and the hands to create.
>
> — Dr. A.P.J. Abdul Kalam —

OUR PURPOSE

To enable institutions and learners to turn academic knowledge into practical, measurable capabilities that create meaningful career opportunities.

OUR VISION

To build an industry-ready workforce by making relevant, practical and measurable skill development accessible to every learner.

EMPOWERING SKILLS. ENRICHING LIVES. BRIDGING EVERY MILE.

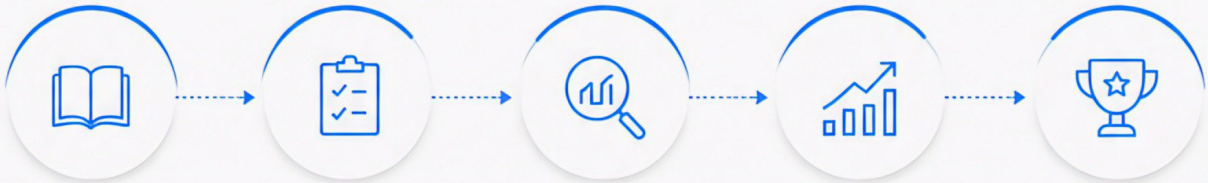

03

OUR ECOSYSTEM & SOLUTIONS

From Learning to Industry Readiness

Poorit brings learning, assessment, analysis and improvement into one connected ecosystem—helping institutions build skills that translate into real-world capability.

OUR ECOSYSTEM

01

LEARN

Build relevant technical and professional skills through structured, industry-oriented learning.

02

ASSESS

Measure knowledge, skills and competencies through structured assessments.

03

ANALYSE

Identify strengths, skill gaps and areas that require targeted intervention.

04

IMPROVE

Strengthen capabilities through focused learning, practice and continuous development.

05

GET INDUSTRY READY

Turn skills into practical workplace capabilities and career readiness.

OUR SOLUTIONS

TECHNOLOGY & DIGITAL SKILLS

AI & ML • Data Science
Coding • Cybersecurity
Cloud • Software Development

PROFESSIONAL SKILLS

Aptitude • Problem Solving
Communication • Workplace Skills
Career Readiness

INDUSTRY PROGRAMS

Workshops • Bootcamps
Industry Sessions • Practical Learning • Customized Institutional Programs

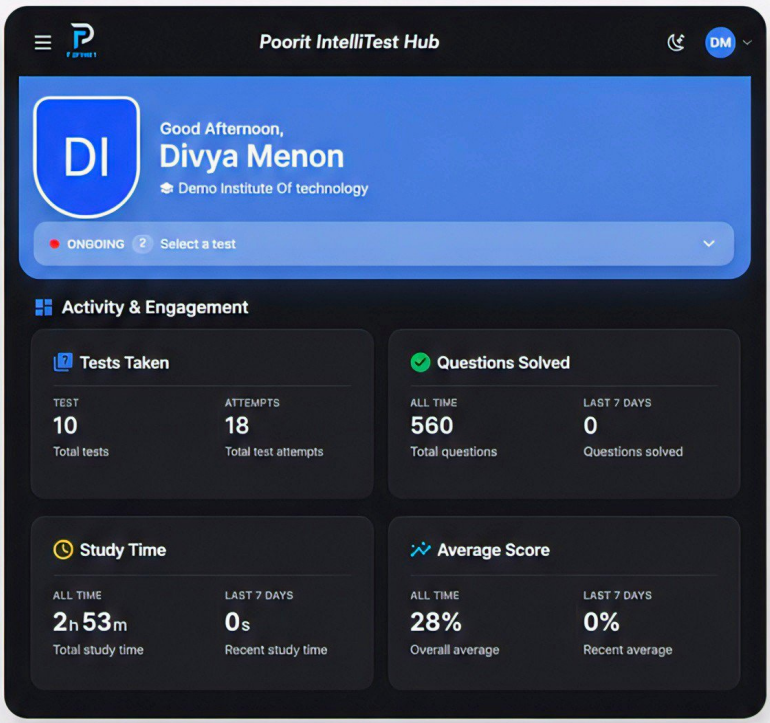

THE OUTCOME

One ecosystem.
Measurable skill development.
Industry-ready talent.

INTELLITEST HUB

Smart Assessment. Actionable Intelligence.

A technology-driven assessment platform designed to help institutions evaluate skills, understand performance and make informed decisions about student development.

BUILT FOR INSTITUTIONS

Comprehensive Assessments

Technical, coding, aptitude and domain-specific evaluations.

Performance Intelligence

Clear visibility into scores, accuracy, rankings, trends and skill-wise performance.

Skill-Level Insights

Identify strengths and areas requiring improvement across individual and cohort performance.

Institutional Reporting

Convert assessment data into meaningful insights for academic and placement teams.

ONE PLATFORM. CLEARER DECISIONS.

Student Performance → Skill Insights → Institutional Intelligence

05

WHY INSTITUTIONS CHOOSE POORIT

Industry-Aligned. Technology-Driven. Outcome-Focused.

Poorit Technologies works with institutions to create practical, measurable and industry-relevant learning ecosystems that complement academic education.

WHY POORIT

01
Industry-Aligned
Programs designed around evolving technology, workplace skills and industry expectations.

02
Practical Learning
Hands-on workshops, projects and real-world applications that move beyond theory.

03
Technology-Driven
Digital platforms and tools that support structured learning, assessment and performance visibility.

04
Measurable Progress
Data-backed insights help institutions understand student performance and identify areas for improvement.

05
Customizable Programs
Solutions can be adapted to an institution's academic calendar, student profile and specific requirements.

06
End-to-End Ecosystem
From skill development to assessment and institutional insights, Poorit brings multiple capabilities together under one ecosystem.

OUR PARTNERSHIP MODELS

PILOT
Start with a focused program and evaluate outcomes.

ANNUAL
Build a continuous institutional skill-development program.

MULTI-YEAR
Develop a long-term industry-readiness ecosystem.

THE DIFFERENCE
We don't just deliver training. We help institutions build a measurable pathway from academic learning to industry readiness.

06

IMPACT & OUR NETWORK

Building a strong ecosystem of institutions, empowering learners and connecting with industry to drive real impact.

G-P

Stronger partnerships. Greater impact. Industry-ready future.

CORPORATE SOLUTIONS

Corporate Training & L&D as a Service

End-to-end Learning & Development solutions that empower organizations to build skills, drive performance and achieve business impact.

WHAT WE OFFER

01
Corporate Training Programs

Customized training solutions aligned with business goals and workforce needs.

02
L&D as a Service

Outsourced learning & development management to design, deliver and manage impactful learning initiatives.

03
Employee Upskilling & Reskilling

Future-ready programs to bridge skill gaps and prepare your workforce for tomorrow.

04
Leadership & Professional Development

Programs to build leadership pipeline and enhance professional skills.

05
Learning Impact & Analytics

Data-driven insights to track progress, measure impact and drive continuous improvement.

TRUSTED BY LEADING ORGANIZATIONS

Piramal | spotline Think Ahead

WHY PARTNER WITH US?

Industry Expertise
Deep domain knowledge across multiple industries and functions.

Scalable Solutions
Flexible engagement models that scale with your organization.

Measurable Results
Track learning outcomes and demonstrate clear business impact.

Dedicated Support
A dedicated team ensures smooth delivery and high learner satisfaction.

Empowering People. Strengthening Organizations. Creating Impact.

Delivering future-ready learning solutions that drive growth and success.

OUR TEAM

Leadership That Drives Impact

Experienced leaders with a shared vision to build industry-relevant learning solutions.

Prerit Chandra

Founder & CEO,
Poorit Technologies

- 24+ years of global industry experience
- NITK alumnus
- Worked with Samsung, Barclays & AT&T
- Trainer & mentor for AI, Cloud & Cybersecurity

Ujjawal Singh

Co-Founder & Advisor

- 24+ years in HealthTech, EdTech & SaaS
- NITK alumnus & IIM Lucknow
- Focus on innovation, healthcare startups, product strategy & scaling
- Mentor across startup & healthcare accelerator ecosystems

Industry experience meets innovation to build solutions for the next generation of talent.

PARTNER WITH US

Build. Collaborate. Create Impact.

Partner with Poorit Technologies to bring industry-relevant skills, technology and measurable learning outcomes to your institution.

HOW WE COLLABORATE

01

DISCOVER

Understand your institution's requirements, student profile and objectives.

02

PILOT

Start with a focused program designed around your specific needs.

03

SCALE

Expand successful initiatives across departments, batches or campuses.

04

GROW TOGETHER

Build a long-term ecosystem for continuous student development and industry readiness.

PARTNERSHIP OPTIONS

Institutional Programs

Customized workshops, skill-development programs and industry sessions.

Technology & Assessment

Leverage IntelliTest Hub for structured assessments and performance intelligence.

Long-Term Collaboration

Create a sustained institutional roadmap for technology and employability-focused development.

Let's Build the Next Generation of Talent Together.

Poorit Technologies

Building the industry-ready workforce.
